Meet The Mystery Guest®

More than a magician

Stephen has been delighting audiences with his unique style of mind reading and magic for over 20 years.

After performing as a close-up magician for several years Stephen developed a new approach to entertaining, The Mystery Guest®.

He noticed that a lot of people had a stereotypical idea of magic and magicians. The Mystery Guest® was created to alter this perception.

One of the most common comments Stephen now receives is "I don't really like magicians, but you stole the show!".

The Mystery Guest® concept was designed to allow Stephen to blend seamlessly into your wedding. Whether he pretends to be an old friend, a work colleague or family member, all of your guests will remember the unexpected entertainment and the amazing time they had at your wedding.

Stephen wowed all of our guests, he got on with everyone so well, and our guests didn't want him to leave. Stephen was friendly and approachable right from when we first met him and booked and communicated with us throughout the lead-up to our wedding. I could not recommend him enough. He was a real highlight of our day and kept everyone entertained. He also did a special trick with us which included a souvenir. Stephen is brilliant, thank you. The Grays x

Thank you for making our day so special and entertaining our wedding guests all day. I would recommend you in a heartbeat.

WOW WOW, WOW there really are no other words that can describe how amazing Stephen was on our wedding day. Not only did Stephen impress us, but he blew our guests away too. I first met Stephen at a friend's wedding, he blended in as The Mystery Guest, and it was a complete surprise when he approached our table and started some card tricks and then hypnosis. He successfully managed to hypnotise the most pessimistic person I know, my mum. He successfully rose to the challenges of the men on the table who were desperate to catch him out but failed. Stephen was just too good!! Immediately, I knew Stephen would have to entertain guests at my wedding. **We booked the VIP package, and my goodness Stephen did not disappoint!** He arrived to entertain guests during drinks and canapés, the wedding breakfast and then through to welcome evening guests. Not only did Stephen provide perfect entertainment during photographs but also during the wedding breakfast, he managed to reach every table providing something different for each one. The gasps, laughter, pure joy and disbelief were infectious. Guests on other tables even approached him, asking if he could come over to them next ~ he was in demand, and the room had a buzz of excitement. As the evening guests arrived, the day guests were desperate to tell them about the amazing magician and how they had to see him!! The card tricks, hypnosis and mind reading surpassed my expectations for the day. Our guests are STILL talking about Stephen and how fantastic he was. Every bride wants her wedding day to be perfect, and mine was. Stephen contributed to that. Thanks for being a part of our wedding day.

Amazing! Highly recommended- all of our guests were completely amazed. The guests commented it was like having David Blaine or Derren Brown at the wedding. Thank you so much again, Stephen!

How can we summarise the amazing Mystery Guest? The most talked about person at our wedding? I mean, seriously...how did he do that? If I could give 100 out of 10, I would. Our guests have not stopped talking about Stephen. He has been such a huge help and support throughout wedding planning, including during the pandemic. His communication and admin skills are just as outstanding as his amazing magic. He was phenomenal on the day. He interacted with our huge wedding of 150+ guests. He made sure to get around to as many people as he possibly could. Everybody was totally amazed. With a big wedding, there were lots of long periods throughout the day, which Stephen filled with brilliant entertainment. He went from table to table throughout our wedding breakfast and entertained guests during our drinks reception and room turnaround. Stephen - thank you, thank you, thank you. We are so happy you were a part of our wedding. **We have memories to last a lifetime.** Thank you for taking so much stress away in the run-up to the wedding. Future brides and grooms book now. Don't hesitate.

THE MYSTERY GUEST®

FAQ's

? What is The Mystery Guest®?

A wedding magician with a difference. **The Mystery Guest® concept is a fun, laid back and informal way of introducing wedding entertainment to your guests.** Ensuring your wedding is remembered and stands out from all others. Stephen will introduce himself as one of your guests before entertaining everyone with incredible feats of mind reading, psychological tricks and close-up magic.

? Why The Mystery Guest® and what makes it different?

The term 'magician' often evokes outdated stereotypes, such as a children's entertainer or a cheesy performer who tries to steal the show. To address this, Stephen created the concept of "The Mystery Guest®." This allows him to offer **a sophisticated, thought-provoking performance that enhances the wedding celebration** without detracting attention from the bride and groom.

? What kind of magic can we expect you to perform?

Stephen specialises in psychological illusions and close-up magic tricks using everyday items such as a pen, paper, cards, and items from your pockets. **He focuses on the psychological aspect of magic, performing effects that appear as real feats of mind reading while also educating his audience on the psychological cues and tells used.** With a background in misdirection and sleight of hand, Stephen demonstrates how these skills can be applied in everyday life. He aims to blend in with your guests by not using unusual props, such as metal rings that link, ropes that restore, squishy red balls that vanish, etc.

? When is the best time for entertainment?

After over 20 years of performing at weddings, Stephen has identified the critical times of the day when guests are most likely to become bored or restless. **During the drinks reception** and photo session, guests tend to benefit from entertainment. Similarly, **after the wedding breakfast**, there's often a gap in activities before the arrival of evening guests and the start of the DJ's performance after the first dance. Including entertainment **in between the wedding breakfast courses** for bigger weddings may be helpful.

? Do you have Public Liability Insurance?

Yes! Insured through Equity, covered up to £10 million.
